My Creed

*To live as gently as I can;
To be, no matter where, a man;
To take what comes of good or ill
And cling to faith and honor still;
To do my best, and let that stand
The record of my brain and hand;
And then, should failure come to me
Still work and hope for victory.*

*To have no secret place wherein
I stoop unseen to shame or sin;
To be the same when I'm alone
As when my every deed is known;
To live undaunted, unafraid
Of any step that I have made;
To be without pretense or sham
Exactly what men think I am.*

*To leave some simple mark behind to keep my having lived in mind;
If enmity to aught I show, to be an honest, generous foe,
To play my little part, nor whine that greater honors are not mine.
This, I believe, is all I need for my philosophy and creed*
