## UGANDA

The time for Susan Roper's trip to Uganda is fast approaching so please take note of the ways we can make this Mission trip possible !

Posted on the Bulletin board in the back hallway is a "UGANDA NEEDS LIST". Please read and let the Lord lead you as you contribute to this great Mission.

All items must be in by the latter part of September. If you prefer to give a monetary gift , make the check payable to Providence Baptist Church and note Uganda.

Sardis Baptist Church will have a special guest on Thursday, August 19th at 11:30am. Everyone is invited ! Men & women, young & old.

In 1944, during WWII, Helen Denton was selected from her Army base in Nebraska to serve at Gen. Dwight Eisenhower's new headquarters in London. She arrived in London in February, & by late April, she had finished typing the top secret plan of the 1944 Normandy invasion. Denton presented her work, contained in a 3-inch-thick book, directly to Gen. Eisenhower.

While in London she had the opportunity to meet King George VI, who introduced her to his daughter Elizabeth, now Queen Elizabeth II. She also met Winston Churchill. Until the 50th. Anniversary of the Normandy invasion, Denton maintained her secrecy about her classified work in the Army. She now lives in Fayetteville, Ga. And is coming to share her experiences with us.
